Meet Our Team

Jenni Repetto

Owner & Operator

Greetings! My name is Jenni, and I am the proud owner of Aspen Babysitting & Nanny Co. I have over 25 years of experience in the childcare field. As an artist with a Master's degree in art and in the current pursuit of a Master's degree in Social Work, I possess a unique combination of creativity and compassion, which I bring to my work every day.

Having worked as a nanny, a preschool teacher, a children's art class designer, and a children's yoga instructor, I have developed a deep passion for providing exceptional childcare. Since purchasing the company in 2021, I have dedicated myself to building a team of highly skilled and experienced caregivers who share my commitment to excellence. I take great pride in helping families find the perfect caregiver to match their style and their child's needs. I consistently work to improve and expand our offerings to ensure we remain a top choice for babysitting and nanny services in the valley.

KC Presco

Front Office Manager

Hello, I'm KC, the Front Office Manager at Aspen Babysitting & Nanny Co. With four children of my own and a background in managing a busy and close-knit household, I've always had a passion for caring for others. My journey began as the go-to babysitter for nieces and nephews, sparking my love for personal interaction and organization. As a working mom, I understand firsthand the importance and value of finding reliable caregivers who can offer engaging and nurturing care.

Over my seven years of professional experience, I've specialized in office management with a primary focus on customer service. In my role as the Front Office Manager, I act as a bridge between families seeking childcare services and our dedicated caregivers. My goal is to ensure that each family's unique needs are met while also providing our caregivers with the support and resources necessary to deliver the best possible care to the children entrusted to us.
